Re: Letter of Resignation

Dear Judge Lumpkin,

It is with great sorrow that I tender this my resignation as the Pearl River County Youth Court Prosecutor. I have been a part of the Youth Court staff continuously since October 1, 2009, when you and the late Judge Dale appointed me as the Guardian Ad Litem. This Court has been a fundamental part of shaping me into the attorney and person I am today.

I have accepted a position as the Picayune Municipal Court Judge effective 12:00 am on January 1, 2022, as such my position with the County must terminated at 11:59 pm on December 31, 2021. While looking forward to bringing my experience from Youth Court into a new position with the City of Picayune, I will look back fondly over my years in Youth Court.

Until we work together again, I wish the best for you and your staff and shall be available should anyone need to contact me.

Sincerely,

INDEXING INSTRUCTIONS:

WITNESSETH:

490

That, for the term and in consideration of the rentals hereinafter set forth, and the covenants, conditions, and obligations to be observed and performed by LESSEE, and by the authority and under the direction of the LESSOR, LESSOR does hereby lease, let and rent unto LESSEE the following described land (hereinafter the "Leased Premises") to-wit:

Section 16 Township 4S Range 14W

MORE PARTICULARLY DESCRIBED IN EXHIBIT "A" ATTACHED HERETO AND INCORPORATED BY REFERENCE AS IF COPIED FULLY HEREIN.

1. Term. The term of this Lease Agreement shall be for Twenty-Five (25) years, beginning on the 1st day of January, 2022, and terminating on the 31st day of December, 2046 (called the "primary term"). For purposes of this Lease Agreement the Anniversary Date shall be January 1st of each year.

It is expressly agreed and understood by all the parties hereto that part of the consideration given for the execution and delivery of this instrument is the option hereby granted to LESSEE to renew this Lease Agreement for an additional or "secondary term" of Twenty-Five (25) years from, January 1, 2047, under the same terms, conditions, and stipulations set forth herein, except the annual rental shall be based upon the fair market value of the land, excluding buildings and improvements not then owned by LESSOR, as determined by a qualified appraiser selected by LESSOR hereto who performs his appraisal not more than twelve months and not less than three months prior to the expiration of the primary term. LESSEE shall exercise said option to renew for the secondary term of Twenty-Five (25) years by notifying LESSOR in writing no less than twelve (12) months in advance of the expiration of the primary term and by tendering the determined annual rental to LESSOR at its above-stated address prior to the expiration of the primary term as may be required by statute. The cost of the new appraisal shall be borne by LESSEE. A new lease shall be executed to effectuate the secondary term.

2. Annual Rent. LESSEE covenants and agrees to pay as rent to LESSOR the sum of Two Thousand dollars (\$ 2000.00) for the first year of this lease which shall be due at the time of approval by the Board of Education. Subsequent payment of annual rent shall be due on or before the anniversary date of this Lease Agreement. The obligation of LESSEE to pay rent under this Lease Agreement is unconditional, and the rent shall not be subject to set off for any reason or cause. LESSOR and LESSEE agree that in the event of termination or cancellation, any rental payment made during the term of this Lease Agreement is not refundable, and LESSEE waives any right or claim it may have to refund of rent paid. Rents shall be adjusted annually pursuant to the rent adjustment clause contained in Paragraph 3 of this Lease Agreement. In the event LESSEE is delinquent in the payment of rent, LESSEE shall pay a late charge equal to fifteen percent (15%) of the amount of rent past due for more than 30 days and thereafter shall pay interest on any rent past due at an annual rate (the "Default Rate") equal to the maximum rate then allowed by law or, if there is no maximum rate, then a rate equal to five percent per annum above the discount rate, excluding any surcharge thereon, on ninety-day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve district in which LESSOR is located, calculated according to the

actuarial method.

3. Rent Adjustment. The eighth and every subsequent eight year Anniversary Date of the commencement of this Lease Agreement shall be the effective dates of rental adjustments, and on such dates the amount of annual rental due and payable hereunder shall be adjusted in the manner hereafter described to reflect the current fair market rental value of the Leased Premises.

- a. LESSOR shall use its best efforts to cause the Leased Premises to be reappraised and a redetermination made of the annual fair market rental amount within six months before any adjustment date. In the event LESSOR shall fail to instigate reappraisal within the six months preceding any rent adjustment date, LESSOR shall not be deemed to have waived this provision requiring rent adjustment, and in such event (at any time after a rent adjustment date), LESSOR may proceed to have the Leased Premises reappraised and an adjusted rent determined for any such readjustment period. The adjusted rent shall be effective on the required adjustment date and LESSEE shall pay any deficiency to LESSOR within fifteen (15) days of the determination of the adjusted rent. The reappraisal shall be made pursuant to the Mississippi Code of 1972, § 29-3-69, or pursuant to the statute then in effect governing such leases and procedures for determining fair market rental value. The reappraisal shall establish the fair market value of the property unencumbered by this lease and shall reflect the market rate of return at the time but shall be no less than the minimum acceptable percentage provided by the statute in effect. Unless altered by the procedures described below, the amount of rent so determined as of each rental adjustment date shall be paid until the next rental adjustment date or for the balance of the lease as the case may be. The appraisal process described in this subparagraph (a) may be referred to hereafter as the Statutory Procedure. The cost of the reappraisal shall be borne by LESSEE, using an appraiser selected by LESSOR.
- b. Should the Statutory Procedure result in an increase in rent over the amount previously due, LESSEE, by notice in writing given to LESSOR within 15 days after receiving notice of the increase, shall have the right to elect an alternate method of determining the current fair market rental value of the Leased Premises (the "Alternate Procedure") as follows:
 1. LESSEE may provide an appraisal by a Mississippi licensed appraiser having the qualifications hereafter described giving an opinion of current fair market annual rental value based on the (i) the fair market value of the land unencumbered by this lease and (ii) a reasonable percentage of return on comparable land investments as of the rental adjustment date. The written report of LESSEE'S appraiser shall be delivered to LESSOR within 45 days after the date on which LESSOR gave notice of an increase in rent under the Statutory Procedure. UPON FAILURE TO PROVIDE AN ALTERNATE APPRAISAL WITHIN THE TIME ALLOWED, LESSEE SHALL FORFEIT THE RIGHT TO PURSUE THE ALTERNATE PROCEDURE, AND ANNUAL RENT DETERMINED UNDER THE STATUTORY PROCEDURE SHALL BECOME DUE AND PAYABLE.
 2. The two appraisers shall make a good faith effort to reconcile their differences. If they have been unable to do so within 10 days after delivery of the report of LESSEE'S appraiser, the two appraisers within such 10 day period shall each submit the names of three appraisers having the qualifications hereafter described who

practice in Mississippi to serve as a review appraiser, and they shall select the review appraiser from names in common on the two lists. If there is no name in common on the two lists, or if the person selected shall decline to serve, then each appraiser shall submit another list of three names of persons meeting the same criteria. 492

3. The review appraiser shall review and analyze the two appraisal reports, and if needed, inspect the land, consult with the two appraisers, review their assumptions and source information and request corrections, revisions, and additions to the appraisal reports. The review appraiser may also consider relevant information from his own files, conduct such independent investigation as he deems appropriate and may consider comparable transactions which occurred after the rental adjustment date.
4. The review appraiser shall report his opinion of annual fair market rent and such amount shall be accepted by LESSOR and LESSEE as the current fair market rental value of the Leased Premises.
- c. If LESSEE requests the Alternate Procedure, LESSEE shall pay all fees and expenses of LESSEE'S appraiser, the review appraiser and any additional charges of LESSOR'S appraiser. The review appraiser, however, shall perform his duties in an independent and impartial manner irrespective of the source of payment of his fees and expenses.
- d. The annual rentals on any adjustment date shall not be reduced below the amount established upon the initial date of this lease except upon determination by the Statutory Procedure.
- e. The amount of rent determined in the above manner shall be remitted on or before the rental adjustment date or, if the rental adjustment procedures are concluded after such date, then promptly upon conclusion of such procedures effective as of the rental adjustment date.
- f. The rent adjustment procedures will not delay the due date of rent at the existing annual rate and will not affect LESSOR'S right to declare a default if such rent is not timely paid.
- g. LESSEE'S appraiser and the review appraiser must be members of the same organization of appraisers as LESSOR'S appraiser, or an organization having higher requirements for admission, and must have the same or higher designation (such as, for example, Member, Appraisal Institute). If LESSOR'S appraiser belongs to more than one organization, the other appraisers must belong to the organization having the highest standards and qualifications for membership. If the organization has multiple designations for appraisers, the review appraiser and LESSEE'S appraiser must hold the same or a higher designation as held by LESSOR'S appraiser.

4. Taxes. LESSEE covenants and agrees to pay any and all general and special taxes and assessments, including drainage taxes, if ever any there be, applicable to the subject property and LESSEE'S interest therein; further, LESSEE covenants and agrees to pay any and all survey costs and recording fees in connection with this Lease Agreement or any other fees so determined by law. All payments for general and special taxes and assessments, including drainage taxes, shall be made directly to the governmental authority responsible for collecting such taxes and assessments. During the final year of the lease term, LESSOR or the governmental authority responsible for collecting taxes and assessments may require payment of any such taxes or assessments in advance or require that other security be given to insure that taxes will be paid when due. In the event it becomes necessary for the County Tax Collector or any other authority responsible for collecting general and special taxes or

assessments to retain the services of attorneys to collect any taxes or assessments due from LESSEE under this lease, then LESSEE agrees to pay all costs and expenses of such actions or collections, including a reasonable attorneys' fee for the County Tax Collector or such other authority responsible for collecting said taxes or assessments. 493

5. Default. The parties herein expressly agree that if DEFAULT shall be made in the payment of any tax assessment or rent due made pursuant to this lease, then and in any such event of DEFAULT it shall be lawful for LESSOR to enter upon said premises, or any part thereof upon LESSOR'S thirty (30) days written notice to LESSEE, either with or without process of law, to re-enter and repossess the same, and to distraint for any rent or assessment that may be due thereon, at the election of LESSOR, but nothing herein is to be construed to mean that LESSOR is not permitted to hold the said LESSEE liable for any unpaid rent or assessment to that time. As to all other conditions, covenants and obligations imposed on LESSEE herein, enforcement shall be by proceeding at law or in equity against any person violating or attempting to violate said conditions, covenants or obligations to restrain violation and to recover damages, if any, including reasonable expenses of litigation and a reasonable attorney's fee, which LESSEE expressly agrees to pay. Such enforcement by proceedings at law or in equity may be instituted at any time after thirty (30) days written notice.

6. Remedies. In the event that any FORFEITURE, DEFAULT OR CANCELLATION of this lease or termination of the term therefore as aforesaid, said LESSEE shall quit, deliver up and surrender possession of the Leased Premises, and all LESSOR-owned structures and improvements thereon to the said LESSOR, and thereupon this lease and all agreements and covenants on LESSOR'S behalf to be performed and kept, shall cease, terminate and be utterly void, the same as if the lease had not been made. In addition thereof, LESSOR shall be entitled to whatever remedies it may have at law, or equity for the collection of any unpaid rental hereunder, or for any other sums, for damages or otherwise, that it may have sustained on account of LESSEE'S non-fulfillment or nonperformance of the terms and conditions of this Lease Agreement. Immediately upon the termination of this Lease Agreement, whether by DEFAULT, CANCELLATION or FORFEITURE, the LESSOR shall be entitled to take possession of said Leased Premises and all LESSOR-owned improvements thereon absolutely, notwithstanding custom, usage, or law to the contrary. Any removal of property from the Leased Premises shall be accomplished so as to leave said Leased Premises in a condition satisfactory to LESSOR. The LESSEE shall remove all of LESSEE'S property within thirty (30) days of LESSOR'S repossession.

7. Curing Default. Notwithstanding any DEFAULT provisions of this Lease Agreement, any present or future holder of a mortgage or deed of trust representing money loaned on these facilities, shall have the right of a thirty (30) day notice of default within which to cure any DEFAULT which may be cured by the payment of money. In addition, for any other DEFAULT for which a forfeiture of said lease may be invoked, such holder of such mortgage or deed of trust shall be entitled to a notice in writing of the claimed DEFAULT and shall have a reasonable time, which shall not be less than thirty (30) days to either require the correction of such DEFAULT or in lieu thereof to protect and correct such DEFAULT. LESSEE hereby covenants and agrees to notify LESSOR of the existence of all such mortgages, deeds of trust or other secured encumbrances, and further agrees that, in the absence of such notice, LESSOR has no obligation whatever to notify any such holder of said encumbrance.

8. Assignment. This lease SHALL NOT BE ASSIGNED OR SUBLEASED. Assignment or sublease of this Lease Agreement or any rights hereunder shall automatically terminate this lease without any further notice or action by LESSOR. In the event LESSEE owns improvements on Leased Premises, any purchaser of said improvements or any person or entity holding a contract to purchase said improvements shall have the right of first refusal to negotiate a new lease agreement with LESSOR.

494

9. Breach of Lease Agreement. If LESSEE breaches any of the provisions of this instrument and fails to cure the same after thirty (30) days written notice from LESSOR, then LESSEE, in addition to any other damages for which it may be responsible, shall pay LESSOR its reasonable costs and expenses in enforcing the Lease Agreement, including but not limited to fees charged by attorneys, expert witnesses, surveyors and appraisers.

10. Notices. All notices specified by this Lease Agreement shall be in writing and sent by registered or certified mail, postage prepaid to the following addresses or hand-delivered in person, delivered by facsimile or otherwise to the following persons. By written notice, either party may change the persons or addresses to whom notice shall be given.

11. Indemnification. LESSEE shall protect, indemnify, defend, save, and hold harmless LESSOR, the State of Mississippi, and the Secretary of State, their officers, board members, employees and agents, from and against all claims, demands, liabilities, suits, injuries, and any and all losses or damages and cost of every kind and nature whatsoever ("loss"), including but not limited to all court costs and attorneys fees and all personal injury or death and/or damage to any person or entity including, but not limited to, LESSOR and its property or other loss arising out of any alleged noncompliance with laws or caused by LESSEE'S exercise of its rights under this Lease Agreement and/or resulting from the actions or omission of LESSEE in connection with its presence on or any use of the Leased Premises by LESSOR, its officers, agents, subcontractors, employees or invitees. Provided, however, it is understood that the indemnity provided by LESSEE as described in this paragraph shall not extend to intentional or negligent acts of LESSOR, its officers, or agents. In the event the intentional or negligent acts of LESSOR, its officers or agents, are not the direct and sole proximate cause for one hundred percent (100%) of the loss or claim,

LESSEE shall be responsible to fulfill its obligations under this paragraph for the percentage of liability not attributable to LESSOR, its officers or agents.

495

12. Waste. LESSEE shall be responsible for any damage that may be caused to LESSOR'S property by the activities of LESSEE, its employees, agents, contractors, and invitees under this Lease Agreement, and, shall exercise reasonable care in the protection of all improvements, timber and other property of LESSOR, which may be located on the Leased Premises or in the vicinity thereof, against fire or damage from any and all other causes. LESSEE, its employees, agents, contractors, and invitees shall exercise reasonable care in conducting the activities permitted under the Lease Agreement, and shall not, in any event, commit waste or allow waste to be committed.

13. Quiet Possession. LESSEE shall have quiet and peaceful possession of said property so long as compliance is made by LESSEE with the terms of this agreement.

14. Bankruptcy or Judgments. LESSEE hereby covenants and agrees that if an execution or process is levied upon the said Leased Premises or if a petition of bankruptcy be filed by or against LESSEE in any court of competent jurisdiction, LESSOR shall have the right, at its option, to cancel this Lease Agreement. LESSEE further covenants and agrees that this Lease Agreement and the interest of LESSEE hereunder shall not, without the written consent of LESSOR first obtained, be subject to garnishment or sale under execution or otherwise in any suit or proceeding which may be brought by or against LESSEE.

15. Condemnation. If the whole of the Leased Premises, or such portion thereof as will make the Leased Premises unsuitable for LESSEE'S permitted activity, should be condemned for any public use or conveyed under threat of condemnation, then this Lease Agreement shall terminate on the date possession is acquired by the condemning authority, and rent shall be apportioned as of that date. All compensation awarded or paid upon such total or partial taking of the Leased Premises shall belong to LESSOR without participation by LESSEE except to the extent the award fairly represents the value of improvements which are the property of LESSEE. It is provided, however, that nothing herein shall preclude LESSEE from prosecuting any claim directly against the condemning authority for loss of business, cost of relocation or any other damages to which a tenant may be entitled provided that no such claim shall diminish or otherwise adversely affect the amount of LESSOR'S award.

16. Residence/Agricultural Purpose. LESSEE certifies that he lives on the Leased Premises or within one and one-half (1½) miles of the Leased Premises. LESSEE further certifies that there are no other dwellings on the Leased Premises other than LESSEE'S dwelling. In the event LESSEE lives off the Leased Premises (but within one and one-half (1½) miles of the subject property) LESSEE certifies that there are no dwellings on the Leased Premises. LESSEE also certifies that the Leased Premises is being used for agricultural purposes, being row crops, pasture or livestock grazing.

17. General Duties of LESSEE. LESSEE agrees:

- a. To comply with all laws and ordinances applicable to the use of the Leased Premises.
- b. To allow inspection of the Leased Premises during normal business hours by any

persons responsible for management or supervision of the Leased Premises or this Lease Agreement in their official capacity.

- c. To perform all obligations herein expressed in a prompt fashion, without notice or demand.
- d. To surrender the Leased Premises upon termination or expiration of this Lease Agreement, with improvements to be in the condition as herein specified.
- e. To provide LESSOR, at each Anniversary Date, written certification by LESSEE of compliance with the provisions of this lease.
- f. To maintain the Leased Premises at all times in a clean, neat and orderly manner, free of waste materials, to keep grass and other vegetation clipped, and to keep all levees and ponds, if any, in a well maintained condition.
- g. To use and apply good and husbandlike agricultural practices in the use of the Leased Premises.
- h. Notwithstanding any provision of this Lease Agreement at LESSOR'S option LESSEE shall be required to fill and grade all ponds and/or destroy and grade all levees on the leased premises upon forfeiture, default, cancellation, or termination of this lease agreement.

18. Alteration. It is expressly agreed by and between the parties that LESSEE will not make any alteration upon the Leased Premises without the express prior written consent of LESSOR and that LESSEE will not occupy or use, nor permit to be occupied or used, the Leased Premises, for any business deemed extra-hazardous on account of fire or otherwise; nor will LESSEE permit the same to be used for any immoral or unlawful purpose. LESSEE also covenants and agrees to maintain the Leased Premises in a neat and orderly manner and to refrain from creating or maintaining any eyesores, unattractive nuisances, or other nuisance.

19. Reservations. LESSOR reserves title to all oil or gas, coal, lignite or other minerals in, on, or under the Leased Premises, together with the right to enter and remove the same, but not in a manner which interferes with LESSEE'S operations on the subject property.

20. Timber. LESSOR reserves and excepts from said lease all timber now or during the term, being situated on the Leased Premises with right of ingress and egress to remove same, and with the right to sell all or any part of said timber without breach of any right of LESSEE hereunder.

21. Rights-of-Way. LESSOR reserves the right to grant or sell rights-of-way across the Leased Premises for roads, highways, railroads, fiber optic cables or any public utility line, provided that any such roads, highways, railroads, fiber optic cables or public utility lines be constructed in a manner so as not to interfere with LESSEE'S operations.

22. Recording. Lessee will deliver a check in the requisite amount to the Lessor that is payable to the Chancery Clerk to cover recording fees. The Lessor will deliver this Lease Agreement to the Chancery Clerk of the necessary County for recording.

23. Immunity. No provision of this Lease Agreement, whether requiring LESSEE to maintain insurance or to indemnify LESSOR or otherwise, shall be construed as a waiver by LESSOR of any provision of law related to governmental immunity.

24. Interpretation. The parties to this Lease Agreement acknowledge that they have freely entered into this Lease Agreement and any ambiguities shall not be construed against a single party. 497

25. Governing Law. This Lease Agreement shall be governed by, construed, and enforced in accordance with the laws of the State of Mississippi. Jurisdiction and venue for any actions arising from this Lease Agreement and any amendments hereto shall rest exclusively in the Chancery Court of PEARL RIVER Mississippi.

26. Secretary of State. By virtue of the signature below, the Secretary of State of the State of Mississippi has approved this Lease Agreement in accordance with the Secretary's authority for general supervision of 16th Section Public School Trust Land. Approval of this Lease Agreement by the Secretary of State indicates that the LESSOR has exercised the care and skill of an ordinary prudent person to protect the beneficiaries of the 16th Section Public School Trust Land.

27. Supervisory Right. The Secretary of State, as supervisory trustee, shall have the right to institute any action to enforce the terms of this Lease Agreement in the event LESSOR fails to do so in a timely manner. In the event the Secretary institutes legal action to enforce the terms of this Lease Agreement, he shall have all rights as are conferred to LESSOR.

28. Additional Provisions. This Lease Agreement contains an Exhibit "B". Any additional or special provisions to this Lease Agreement are set forth in Exhibit "B" and incorporated by reference as if copied fully herein. If there are no additional or special provisions then Exhibit "B" shall state "NONE".

29. Entire Agreement. This Lease Agreement shall constitute the entire agreement between the parties. Any prior understanding or representation of any kind preceding the date of this Lease Agreement shall not be binding upon either party except to the extent incorporated in this Lease Agreement. This Lease Agreement contains Exhibits "A" and "B". If Exhibits "A" and "B" are not attached to this Lease Agreement, then this Lease Agreement shall be null and void.

IN WITNESS WHEREOF, this Lease Agreement is executed by LESSOR and pursuant to order entered upon its minutes, is executed by LESSEE this the 13th day of December, 2021. 498

INDEXING INSTRUCTIONS:

SECTION 16 TOWNSHIP 6 SOUTH, RANGE 17 WEST

WITNESSETH:

506

That, for the term and in consideration of the rentals hereinafter set forth, and the covenants, conditions, and obligations to be observed and performed by LESSEE, and by the authority and under the direction of the LESSOR, as recorded in Minute Book 27, Page 4237, LESSOR does hereby lease and rent unto LESSEE the following described land (hereinafter the "Leased Premises") to-wit:

Section 16 Township 6 SOUTH Range 17 WEST

MORE PARTICULARLY DESCRIBED IN EXHIBIT "A" ATTACHED HERETO AND INCORPORATED BY REFERENCE AS IF COPIED FULLY HEREIN.

1. Term. Subject to the other provisions herein contained, the term of this Lease Agreement shall be for TWENTY-FIVE (25) years, beginning the 1st day of NOVEMBER, 2021, and ending on the 1st day of NOVEMBER, 2046 (called the "primary term"). For purposes of this Lease Agreement the Anniversary Date shall be NOVEMBER 1st of each year.

It is expressly agreed and understood by all the parties hereto that part of the consideration given for the execution and delivery of this instrument is the option hereby granted to LESSEE to renew this Lease Agreement for an additional or "secondary term" of twenty-five (25) years from, NOVEMBER 1st, 2046, under the same terms, conditions, and stipulations set forth herein, except the annual rental shall be based upon the fair market value of the land, excluding buildings and improvements not then owned by LESSOR, as determined by a qualified appraiser selected by LESSOR hereto who performs his appraisal not more than twelve months and not less than three months prior to the expiration of the primary term. LESSEE shall exercise said option to renew for the secondary term of twenty-five (25) years by notifying LESSOR in writing no less than twelve (12) months in advance of the expiration of the primary term and by tendering the determined annual rental to LESSOR at its above-stated address prior to the expiration of the primary term as may be required by statute. The cost of the new appraisal shall be borne by LESSEE. A new lease shall be executed to effectuate the secondary term.

2. Annual Rent. LESSEE covenants and agrees to pay as rent to LESSOR the sum of EIGHT THOUSAND THREE HUNDRED FORTY-NINE DOLLARS AND XX/100

(\$ 8,349.00) for the first year of this lease which shall be due at the time of approval by the Board of Education. Subsequent payment of annual rent shall be due on or before the anniversary date of this Lease Agreement. The obligation of LESSEE to pay rent under this Lease Agreement is unconditional, and the rent shall not be subject to set off for any reason or cause. LESSOR and LESSEE agree that in the event of termination or cancellation, any rental payment made during the term of this Lease Agreement is not refundable, and LESSEE waives any right or claim it may have to refund of rent paid. Rents shall be adjusted annually pursuant to the rent adjustment clause contained in Paragraph 3 of this Lease Agreement. In the event LESSEE is delinquent in the payment of rent, LESSEE shall pay a late charge equal to fifteen percent (15%) of the amount of rent past due for more than 30 days and thereafter shall pay interest on any rent past due at an annual rate (the "Default Rate") equal to the

maximum rate then allowed by law or, if there is no maximum rate, then a rate equal to five percent per annum above the discount rate, excluding any surcharge thereon, on ninety-day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve district in which LESSOR is located, calculated according to the actuarial method.

3. Rent Adjustment. LESSOR shall, at the end of each year of the lease term, adjust the annual rent by the increase in the Consumer Price Index-All Urban Consumers ("CPI"), and thereafter notify LESSEE of the annual rent for the ensuing lease year.

- (a) LESSOR shall calculate the amount of the rent adjusted by the CPI and notify LESSEE, and the rent for the ensuing lease year shall be fixed as adjusted by the CPI. Said rental amount shall be calculated by multiplying the last effective annual rent for the then ending lease year by a fraction, having as its numerator the monthly CPI index number for the first calendar month of the ensuing lease year, and as its denominator the monthly CPI index number for the first calendar month of the then ending lease year. However, in no event shall the adjusted annual rent for any one (1) year period of the lease term be less than the rental amount for the previous lease year.
- (b) If for any reason the rent adjustment calculation is not completed or LESSOR has not notified LESSEE of the rent adjustment for the ensuing lease before the Anniversary Date, LESSOR and LESSEE agree that the interim annual rent pending completion of the calculation of the rent adjustment shall be equal to the annual rent in effect as of the close of the then ending lease year. LESSEE agrees to pay the interim annual rent by the annual rent due date. If the annual rent for the ensuing lease year increases as a result of the adjustment procedure set forth in Subpart (a) and (b) of Paragraph 3 of this Lease Agreement, then LESSEE shall pay to LESSOR such excess within ten (10) days of receiving notice of such increase.
- (c) This annual adjustment shall satisfy the rent adjustment required "not less than once every ten (10) years" under Miss. Code Ann. §29-3-69 (1972) as amended. The method of rental adjustment utilized herein is for the purpose of facilitating stable operation of the commercial operation on the Premises.

In the event the rent adjustment section of paragraph 3 of this Lease Agreement shall be declared inadequate for any reason by a court of competent jurisdiction, such declaration shall not affect or be construed to affect the validity of this Lease Agreement, and the Lease Agreement shall continue in full force and effect and be binding on the parties, subject only to the establishment of a rental adjustment section that, in the opinion of the appropriate court having jurisdiction, meets the requirements of Miss. Code Ann. §29-3-63 and §29-3-69 (1972) presently in effect.

4. Taxes. LESSEE covenants and agrees to pay any and all general and special taxes and assessments, including drainage taxes, if ever any there be, applicable to the above-described property and LESSEE'S interest therein; further, LESSEE covenants and agrees to pay any and all survey costs and recording fees in connection with this Lease Agreement or any other fees so determined by law. All payments for general and special taxes and assessments, including drainage taxes, shall be made directly to the governmental authority responsible for collecting such taxes and assessments.

During the final year of the lease term, LESSOR or the governmental authority responsible for collecting taxes and assessments may require payment of any such taxes or assessments in advance or require that other security be given to insure that taxes will be paid when due. In the event it becomes necessary for the County Tax Collector or any other authority responsible for collecting general and special taxes or assessments to retain the services of attorneys to collect any taxes or assessments due from LESSEE under this lease, then LESSEE agrees to pay all costs and expenses of such actions or collections, including a reasonable attorneys' fee for the County Tax Collector or such other authority responsible for collecting said taxes or assessments.

5. Default. The parties herein expressly agree that if DEFAULT shall be made in the payment of any general or special tax or assessment or rent due, pursuant to this Lease Agreement, then and in any event of DEFAULT it shall be lawful for LESSOR to enter upon said premises, or any part thereof, after LESSOR has provided sixty (60) days prior written notice to LESSEE and upon LESSEE'S failure to cure such DEFAULT within said sixty (60) days, either with or without the process of law, to re-enter and repossess the same, and to distrain from any rent or assessment that may be due thereon, at the election of LESSOR, but nothing here is to be construed to mean that LESSOR is not permitted to hold LESSEE liable for any unpaid rent or assessment to that time.

As to all other conditions, covenants, and obligations imposed on LESSEE herein, enforcement shall be by proceeding at law or in equity against any person violating or attempting to violate said conditions, covenants, and obligations to restrain violation and recover damages, if any, including reasonable expenses of litigation including but not limited to fees charged by attorneys, expert witnesses, surveyors and appraisers, which LESSEE expressly agrees to pay. Such enforcement by proceedings at law or in equity may be instituted at any time after thirty (30) days written notice. Enforcement proceedings shall include the right of the Tax Collector to recover any tax, assessment, fees and costs.

6. Remedies. In the event of any FORFEITURE, DEFAULT, OR CANCELLATION of this Lease Agreement or termination of the term therefore aforesaid, LESSEE shall quit, deliver up and surrender possession of the leased property and all LESSOR-owned structures and improvements thereon to the said LESSOR, and thereupon this Lease Agreement and all agreements and covenants on LESSOR'S behalf to be performed and kept, shall cease, terminate, and be utterly void, the same as if the Lease Agreement had not been made. At LESSOR'S option LESSEE shall be required to remove all LESSEE-owned improvements. In addition thereto LESSOR shall be entitled to whatever remedies it may have at law or equity for the collection of any unpaid rental hereunder, or for any other sums, for damages or otherwise, that it may have sustained on account of the LESSEE'S non-fulfillment or nonperformance of the terms and conditions of this Lease Agreement including costs for removing LESSEE owned improvements.

Immediately upon the termination of this Lease Agreement, whether by FORFEITURE, DEFAULT, or CANCELLATION, LESSOR shall be entitled to take possession of the Leased Premises and all LESSOR-owned improvements thereon absolutely, and custom, usage, or law to the contrary notwithstanding. Any removal of property from the Leased Premises shall be accomplished so as to leave said the Leased Premises in a condition satisfactory to

LESSOR. At LESSOR'S option LESSEE shall remove all of the LESSEE'S property within thirty (30) days of LESSOR'S possession. LESSEE shall be subject to the accrual of rent during said thirty (30) day period.

7. Curing Default. Notwithstanding any DEFAULT provisions of this Lease Agreement, any present or future holder of a mortgage or deed of trust securing money loaned on facilities located on the Leased Premises shall have the right of a thirty (30) day notice of default within which to cure any DEFAULT which may be cured by the payment of money. In addition, for any other DEFAULT for which a forfeiture of said Lease Agreement may be invoked, such holder of such mortgage or deed of trust shall be entitled to a notice in writing of the claimed DEFAULT and shall have a reasonable time, which shall not be less than Thirty (30) days, either to require the correction of such DEFAULT or in lieu thereof to protect itself through the exercise of a power of sale and thereby acquire a leasehold in said property and correct such DEFAULT. LESSEE hereby covenants and agrees to notify LESSOR of the existence of all such mortgages, deeds of trust, or other secured encumbrances, and that, in the absence of such notice, LESSOR has no obligation whatever to notify any such holder of said encumbrance.

8. Assignment. This lease SHALL NOT BE ASSIGNED OR SUBLEASED. Assignment or sublease of this Lease Agreement or any rights hereunder shall automatically terminate this lease without any further notice or action by LESSOR. In the event LESSEE owns improvements on the Leased Premises, any purchaser of said improvements or any person or entity holding a contract to purchase said improvements shall have the right of first refusal to negotiate a new lease agreement with LESSOR.

9. Regulatory Compliance. LESSEE shall comply with all applicable laws, rules, and regulations concerning LESSEE'S use of the Leased Premises and/or obligations under this instrument. This obligation shall include, but not be limited to, compliance with federal, state and local environmental regulations concerning the air, water and soil, endangered species, wetlands, and other laws, rules and regulations that may presently exist or hereafter be adopted. In the event of contamination of the air, water or soils arising out of any LESSEE use, LESSEE shall be responsible for all mandated remediation and monitoring with this obligation to survive termination of this Lease Agreement. Notwithstanding the requirements of this paragraph LESSEE:

- (a) Except as modified by paragraph 22 below, LESSEE will not use, generate, manufacture, produce, store, release, discharge or dispose of on, under or about the Leased Premises or transport to or from the Leased Premises any hazardous substance or pollutant (as either may be defined by any present or future laws or regulations of any governmental authority or by any administrative or judicial decisions) or any solid wastes and will not allow any other person to do so.
- (b) Shall keep and maintain the Leased Premises in compliance with and shall not cause or permit the Leased Premises to be in violation of any environment laws or regulations nor any laws or regulations pertaining to the disposal of solid, liquid, or gaseous wastes, both hazardous, and non-hazardous.
- (c) Shall give prompt written notice to LESSOR and the Secretary of State of:

- 1) Any proceeding or inquiry by any governmental authority with respect to the presence of any solid wastes or hazardous substance on the leased premises or the migration thereof from or to other property;
- 2) All claims made or threatened by any governmental authority with respect to the presence of any solid wastes or hazardous substance on the Leased Premises or the migration thereof from or to other property; or
- 3) LESSEE'S discovery of any occurrence or condition that would cause the leased premises to be subject to any restrictions on the ownership, occupancy, transferability or use of the Leased Premises under any environmental or solid waste disposal law, regulation, ordinance or ruling.

10. Environmental Accidents. LESSEE shall immediately furnish written notice of all spills, leaks, accidents or similar matters on the premises to LESSOR and the Secretary of State at the addresses provided in this instrument. LESSEE shall also furnish LESSOR and the Secretary of State a copy of all filings, including but not limited to, environmental issues, required bylaws, rules or regulations arising out of any spills, leaks, accidents, or other matters related to the use and occupation of the premises by LESSEE. Nothing in this paragraph shall place any duty of cleanup or remediation of property upon LESSOR, with those duties belonging exclusively to LESSEE.

11. Breach of Lease Agreement. If LESSEE breaches any of the provisions of this Lease Agreement and fails to cure the same after sixty (60) days written notice from the LESSOR, then LESSEE, in addition to any other damages for which it may be responsible, shall pay LESSOR, its reasonable costs and expenses in enforcing the Lease Agreement, including but not limited to fees charged by attorneys, expert witnesses, surveyors and appraisers

12. Notices. All notices specified by this instrument shall be in writing and sent by registered or certified mail, postage prepaid to the following addresses or hand-delivered in person, delivered by facsimile or otherwise to the following persons. By written notice, either party may change the persons or addresses to whom notice shall be sent.

To LESSOR:

PICAYUNE, Mississippi

(601) 798 - 3230

To SECRETARY OF STATE:

To LESSEE:

(361) 779 - 0577

13. Insurance. LESSEE shall maintain contractual and comprehensive general liability insurance with a company acceptable to LESSOR and the Secretary of State with a minimum combined single limit of liability of one million dollars (\$1,000,000.00) (and the members of LESSEE shall collectively maintain a similar policy or self-insure for an excess limit of liability of one million dollars (\$1,000,000.00)) for personal injuries or death of persons or destruction of property arising out of its operation, use or occupancy of the Leased Premises. LESSEE shall furnish proof of insurance (or self-insurance for LESSEE'S members, if applicable) to LESSOR, shall keep this insurance (or self-insurance for LESSEE'S members, if applicable) in full force and effect, and shall furnish LESSOR notice if the coverage is placed with another insurance company (or if the self-insurance for LESSEE'S members is managed by another company, if applicable). The amount of this instrument shall be adjusted for inflation every ten years on each tenth anniversary of this instrument according to the procedures then set forth by the Office of the Secretary of State of Mississippi.

14. Indemnification. LESSEE shall protect, indemnify, defend, save, and hold harmless LESSOR, the State of Mississippi and the Secretary of State, their officers, board members, employees and agents, from and against all claims, demands, liabilities, suits, injuries, and any and all losses or damages and cost of every kind and nature whatsoever ("loss"), including but not limited to all court costs and attorneys fees and all personal injury or death and/or damage to any person or entity including, but not limited to, LESSOR and its property or other loss arising out of any alleged noncompliance with laws or caused by LESSEE'S exercise of its rights under this Lease Agreement and/or resulting from the actions or omissions of LESSEE in connection with its presence on or any use of the Leased Premises by it, its officers, agents, subcontractors, employees or invitees. Provided, however, it is understood that the indemnity provided by LESSEE as described in this paragraph shall not extend to intentional or negligent acts of LESSOR, its officers, or agents. In the event the intentional or negligent acts of LESSOR, its officers or agents, are not the direct and sole proximate cause for one hundred percent (100%) of the loss or claim, LESSEE shall be responsible to fulfill its obligations under this paragraph for the percentage of liability not attributable to LESSOR, its officers or agents.

15. Mortgage Transactions. The preceding restrictions on assignments of this lease shall not apply to and no prior approval of LESSOR shall be required for (i) a mortgage of the leasehold estate (ii) a foreclosure or an assignment of the leasehold estate to the mortgagee in lieu of foreclosure or (iii) a transfer by a mortgagee who has acquired the leasehold estate and such transfer occurs within a reasonable period of time commensurate with liquidation of the asset. However, any person acquiring the leasehold estate by any of the above means shall be obligated, within 10 days thereafter, to provide LESSOR with a copy of the assignment.

No mortgagee shall be deemed to have assumed and no mortgagee shall be personally obligated to perform any of LESSEE'S obligations under this lease which accrued prior to acquisition of the leasehold estate, provided that this limitation on personal liability shall not diminish the rights and remedies otherwise available to LESSOR in the event of a default nor the right of a mortgagee to cure defaults as herein provided. A mortgagee, having acquired the leasehold estate through foreclosure or assignment in lieu of foreclosure, shall be liable for performance of all obligations of LESSEE which accrue during the period the mortgagee has ownership of the leasehold estate, and any rent payment which becomes due during such period shall be paid in full and not prorated. Nothing contained in this lease or in any mortgage

shall release LESSEE from the full and faithful performance of LESSEE'S obligations under this lease or from any liability for non-performance or constitute a waiver of any right of LESSOR against LESSEE. The term "mortgage" as used in this paragraph means any mortgage, deed of trust, collateral assignment or other transfer or pledge of this lease as security for an indebtedness of LESSEE; and the term "mortgagee" means the holder of the indebtedness to whom or for whose benefit this lease has been mortgaged or pledged as security.

16. Waste. LESSEE shall be responsible for any damage that may be caused to LESSOR'S property by the activities of LESSEE, its employees, agents, contractors, and invitees under this Lease Agreement, and shall exercise reasonable care in the protection of all improvements, timber and other property of LESSOR, which may be located on the Leased Premises or in the vicinity thereof, against fire or damage from any and all other causes. LESSEE, its employees, agents, contractors, and invitees shall exercise reasonable care in conducting the activities described above, and shall not, in any event, commit waste or allow waste to be committed.

17. Quiet Possession. LESSEE shall have quiet and peaceful possession of the Leased Premises as long as compliance is made with the terms of this agreement.

18. Bankruptcy or Judgments. LESSEE hereby covenants and agrees that if an execution or process is levied upon the Leased Premises or if a petition of bankruptcy be filed by or against LESSEE in any court of competent jurisdiction, LESSOR shall have the right at its option, to cancel this Lease Agreement. LESSEE further covenants and agrees that this Lease Agreement and the interest of LESSEE hereunder shall not, without the written consent of LESSOR first obtained, be subject to garnishment or sale under execution or otherwise in any suit or proceeding which may be brought against said LESSEE.

19. Condemnation. If the whole of the Leased Premises, or such portion thereof as will make the Leased Premises unsuitable for LESSEE'S normal business activity, should be condemned for any public use or conveyed under threat of condemnation, then this Lease Agreement shall terminate on the date possession is acquired by the condemning authority, and rent shall be apportioned as of that date. All compensation awarded or paid upon such total or partial taking of the Leased Premises shall belong to LESSOR without participation by LESSEE except to the extent the award fairly represents the value of improvements which are the property of LESSEE. It is provided, however, that nothing herein shall preclude LESSEE from prosecuting any claim directly against the condemning authority for loss of business, cost of relocation or any other damages to which a tenant may be entitled provided that no such claim shall diminish or otherwise adversely affect the amount of LESSOR'S award.

20. Classification/Use. The lands herein have been classified as Commercial in accordance with §29-3-31 et seq. Miss. Code Ann. (1972) as amended. LESSOR warrants that the Leased Premises shall be permitted to be used as a RECYCLING BUSINESS

for the duration of the term. This warranty does not apply to any change in use which may be required by governmental authority or other means beyond the control of LESSOR.

LESSEE shall not use the Leased Premises for any of the following purposes: Activities that are considered hazardous including, but not limited to, demolition or the storage or use of dangerous substances; any activity considered to be a nuisance; any activity that is unlawful or immoral; or any activity which at the discretion of the LESSOR and the Secretary of State is inappropriate upon Sixteenth Section Land.

21. Successors. To the extent assignment of this Lease Agreement is allowed by the above provisions this Lease Agreement shall be binding upon LESSEE'S successors and assigns.

22. General Duties of LESSEE. LESSEE agrees:

- (a) To comply with all laws and ordinances applicable to the use of the Leased Premises including, without limitation, laws and regulations pertaining to accessibility by handicapped persons;
- (b) To allow inspection of the Leased Premises during normal business hours by any persons responsible for management or supervision of the property or this lease acting in their official capacity;
- (c) To perform all obligations herein expressed in a prompt fashion, without notice or demand;
- (d) To surrender the Leased Premises upon termination or expiration of this Lease Agreement, with improvements to be in the condition as herein specified;
- (e) To provide LESSOR, at each Anniversary Date, written certification by LESSEE or an officer of LESSEE of compliance with the provisions of this lease; and
- (f) To maintain the Leased Premises at all times in a clean, neat and orderly manner, free of waste materials, and to keep grass and other vegetation clipped.

23. Reservations. LESSOR reserves title to all oil or gas, coal, lignite or other minerals in, on, or under said lease property, together with the right to enter and remove the same, but not in a manner which interferes with LESSEE'S operations on the Leased Premises.

24. Rights-of-Way. LESSOR reserves the right to grant or sell rights-of-way across the Leased Premises for roads, highways, railroads, fiber optic cables or any public utility line, provided that any such roads, highways, railroads, fiber optic cables or public utility lines be constructed in a manner so as not to interfere with LESSEE'S operations.

25. Recording. LESSOR will deliver this Lease Agreement to the Chancery Clerk of PEARL RIVER County for recording, and LESSEE has herewith delivered to LESSOR a check in the sum of THIRY-SIX DOLLARS (\$36.00) payable to such Chancery Clerk as recording fees.

26. Immunity. No provision of this Lease Agreement, whether requiring LESSEE to maintain insurance or to indemnify LESSOR or otherwise, shall be construed as a waiver by LESSOR of any provision of law related to governmental immunity.

27. Interpretation. The parties to this Lease Agreement acknowledge that they have freely entered into this Lease Agreement and any ambiguities shall not be construed against a single party.

28. Governing Law. This Lease Agreement shall be governed by, construed, and enforced in accordance with the laws of the State of Mississippi. Jurisdiction and venue for any actions arising from this Lease Agreement and any amendments hereto shall rest exclusively in the Chancery Court of PEARL RIVER County, Mississippi.

29. Secretary of State. By virtue of the signature below, the Secretary of State of the State of Mississippi has approved this Lease Agreement in accordance with the Secretary's authority for general supervision of 16th Section Public School Trust Land. Approval of this Lease Agreement by the Secretary of State indicates that the LESSOR has exercised the care and skill of an ordinary prudent person to protect the beneficiaries of the 16th Section Public School Trust Land.

30. Supervisory Right. Secretary of State, as supervisory trustee, shall have the right to institute any action to enforce the terms of this Lease Agreement in the event LESSOR fails to do so in a timely manner. In the event the Secretary institutes legal action to enforce the terms of this Lease Agreement, he shall have all rights as are conferred to LESSOR.

31. Additional Provisions. This Lease Agreement contains an Exhibit "B." Any additional or special provisions to this Lease Agreement are set forth in Exhibit "B" and incorporated by reference as if copied fully herein. If there are no additional or special provisions then Exhibit "B" shall state "NONE."

32. Entire Agreement. This Lease Agreement shall constitute the entire agreement between the parties. Any prior understanding or representation of any kind preceding the date of this Lease Agreement shall not be binding upon either party except to the extent incorporated in this Lease Agreement. This Lease Agreement contains Exhibits "A" and "B." If Exhibits "A" and "B" are not attached to this Lease Agreement, then this Lease Agreement shall be null and void.

IN WITNESS WHEREOF, this Lease Agreement is executed by LESSOR and pursuant to order entered upon its minutes, is executed by LESSEE this the 8th day of NOVEMBER, 2021.

WHEREAS, HL&C - GEORGETOWN FARMS, LLC, (hereinafter referred to as "Owner"), is the developer of HL&C - GEORGETOWN FARMS, LLC located in Pearl River County and has received approval from Pearl River County with a private road;

WHEREAS, the Owner intends to sell and convey various parcels within HL&C - GEORGETOWN FARMS, LLC for residential purposes;

WHEREAS, each of the purchasers of lots in HL&C - GEORGETOWN FARMS, LLC, which has access the sixty (60) foot wide right-of-ways called and known as Barnabas Place as shown on said survey plat of the subdivision prepared by Bobby Kelly, RPLS, share a common right of ingress and egress over said right-of-way, to their respective properties described in their attached metes and bounds description of said right-of-way conveyed in Warranty Deed to owner;

WHEREAS, the purpose and intent of this Covenant is to provide for the repair and maintenance of said right-of-way.

NOW, THEREFORE, acknowledged, the Owner hereby imposes the following covenants for HL&C - GEORGETOWN FARMS, LLC which adjoins access right-of-way of Barnabas Place, a private road which is accessed from Gumpond-Hillsdale Road, a public road.

1. Owner shall not have sole responsibility for maintenance of the roadway, which shall be maintained by all persons who own the above-described property or parts thereof on an equitably apportioned basis. Any conveyance of lands which rely upon or utilize the

easement for access shall refer to this easement and shall contain a clause acknowledging that the grantee accepts responsibility to participate on an equitable basis in any cost of maintenance of the private right-of-way. All cost of maintenance shall be an obligation of the owners of property using the roadway, and if any owner should not pay his or her equitable share of the cost of maintenance, then other owners of property in the subdivision shall have a right of action to enforce the covenant, and shall have a lien upon the property of the defaulting landowner to recover sums for maintenance of the private right-of-way. The Owner and subsequent owners of parts of the subject property may elect to establish a property owners association to provide for maintenance by a simple majority vote, with one vote being allocated to each parcel which the grantor has conveyed or may convey. However, notwithstanding anything contained in this document to the contrary, all owners of land in HL&C - GEORGETOWN FARMS, LLC may elect to dedicate the private easement or roadway with full understanding that the private right-of-way be dedicated as a public right-of-way must meet the road standards as set forth in Pearl River County Subdivision Regulations at the time of such proposed dedication. The private right-of-way must be maintained to the minimum condition of allowing easy passage of emergency vehicles, school buses, and other vehicular traffic for ingress and egress purposes.

2. It is further understood and agreed that owners of parts of the above described property which utilizes the easement for ingress and egress shall have the right to construct and maintain across the easement all utility lines, either public or private, as they may need or desire for the enjoyment of their property, such as electric power lines, telephone lines, television cable lines, water lines, sanitary sewer lines, storm drainage sewer lines, natural gas lines, or such utility lines, provided that they do not obstruct in any way or manner the free and open use of the easement by pedestrian or vehicular traffic.
 3. This instrument, the easement herein established and the agreements concerning the maintenance and upkeep of all easements and roadways on the property constitute covenants running with the above-described land and are for benefit of the land or parts thereof and subsequent owners.
 4. The Owners and all subsequent purchasers of the land affected by these covenants agree and understand that this is a private roadway and that the Board of Supervisors of Pearl River County has no maintenance obligations on this roadway and is in fact prohibited by law from performing any maintenance or improvements on the described property, unless it is accepted as a county road as set forth in the Subdivision Regulations of Pearl River County.
 5. Further made subject to the following protective covenants which shall run with said properties.
 - a. No mobile homes allowed in HL&C - GEORGETOWN FARMS, LLC.
 - b. Lots shall be used for residential single dwelling family homes.

RE: Chancery Records Scanning Services Proposal

Gentlemen,

As you know I have been digitally scanning Pearl River County's land records since 2016 and continue adding them to our searchable database through the DuProcess system. I'd like to spread on the minutes two proposals for scanning, redacting Social Security numbers and indexing Deed of Trust Records. I am not asking the Board to expend money from the county coffers for this project. I will personally pay for the project from fees collected in my office during this calendar year. I only need your acknowledgement of these two quotes and recommendation for me to accept the lowest proposal.

Warm wishes for a blessed Christmas,

Melinda Bowman

4. EMPLOYMENT POLICY

It is the policy of the County to provide equal opportunity in employment to all employees and applicants for employment without regard to race, creed, religion, color, sex, age, national origin, covered disability, military status, or any other classification protected under applicable law. Additionally, it is the County's policy to forbid retaliation against employees or applicants for the exercise of rights protected under applicable laws. Employees are required to avoid any behavior, action, decision, or conduct that is inconsistent with this Equal Employment Opportunity Policy.

Equal employment opportunity applies to all terms, conditions, and privileges of employment, including hiring, training, promotion, transfer, compensation, benefits and assistance, layoff, employee facilities, discharge, and retirement.

The importance of fulfilling this policy is given top priority consideration in the day-to-day operations of all County offices and/or departments. All County employees have been made aware that any violation of the letter or spirit of this policy by an employee shall result in appropriate disciplinary actions, including discharge if warranted.

5. EMPLOYMENT IN GENERAL

Employment with the County is based on a particular job vacancy, requirement to fill the job, and budgetary limitations of the respective office or department.

A. In the event a reduction in force of workers becomes necessary, part-time and probationary employees and then persons holding a regular appointment should be laid off or furloughed in the job classification which the Department Head determines to be least critical at the time of layoff or furlough. Every attempt will be made to give an employee advance notice of layoff or furlough and termination action.

B. No person elected or appointed to any county or district office shall employ or appoint, as an officer, clerk, stenographer, deputy or assistant who is to be paid out of public funds, any person related by blood or marriage within the third degree, computed by the rule of the civil law, to the person having or exercising the authority to make such appointment or to contract such employment as employer. This provision shall not apply to any employee who shall have been employed or appointed by the county or district prior to the time his or her kinsman, within the third degree, became elected or appointed to the county or district office.

6. DESIGNATION OF PERSONNEL OFFICER AND PERSONNEL SECTION

The County Administrator is designated as the personnel officer and will operate the personnel section within his or her office to handle all personnel matters required.

7. ORIENTATION

Orientation and training programs are conducted to familiarize new employees with the County. New employees will be briefed by the Department Head as to the employee's duties and responsibilities prior to beginning work.

8. PROBATIONARY PERIOD

For each new employee, the first 90 days of employment serves as a probationary period. During this important time, the employee is learning the job and the County is evaluating his performance. After completion of the probationary period, the employee will become a full-time employee and will receive all benefits of a full-time employee.

9. TERMINATION OF EMPLOYEES

When employment with the county is to be terminated, the employee will also be processed through the personnel section prior to the effective date of terminations.

A. Resignation - An employee desiring to terminate service with the county may do so by submitting a letter of resignation to his or her Department Head at least ten working days prior to the employee's final working day.

B. Quitting without notice - An employee will be considered as "quit without notice" when he or she does not give the required ten working days' notice or when the employee has been absent from his or her job without leave for a period of three days without reporting to his Department Head or to the County Administrator. If an employee leaves his or her job without notice or is otherwise terminated as provided in the procedures of disciplinary and discharge described and set forth hereinafter, all vacation, accumulated leave, accumulated sick leave or other fringe benefits shall be forfeited.

10. CATEGORIES OF EMPLOYEES

A. Temporary Employee: A person who is employed for a specified period of time (usually for a specific job) may be paid by the hour for work time. C. FAMILY AND MEDICAL LEAVE POLICY

I. Summary

Pursuant to the requirements of the Family and Medical Leave Act of 1993 ("FMLA"), eligible employees are entitled to unpaid leave in certain circumstances specified below. This policy provides a summary of the leave provided under the FMLA, as well as the County's procedures for requesting and approving leave. This policy does not confer any rights beyond those provided by the FMLA.

A. Eligibility

Eligible employees are those who have been employed by the County for at least 12 months and for at least 1,250 hours during the previous 12 month period.

B. Grounds for Leave

The circumstances in which FMLA leave is available are governed solely by the FMLA and the regulations hereunder. The County's FMLA Policy does not confer any additional entitlement to leave. Eligible employees are entitled up to 12 weeks of leave during any 12 month period for one or more of the reasons listed in this section. Generally, spouses who are both employed by the County are entitled to a total of 12 weeks of combined leave. An employee may take FMLA leave:

1. Because of the birth of a son or daughter of the employee and in order to care for such son or daughter;
2. Because of the placement of a son or daughter with the employee for adoption or foster care;
3. In order to care for the spouse, son, daughter, or parent of the employee, if such spouse, son, daughter, or parent has a serious health condition;
4. Because of a serious health condition that makes the employee unable to perform the functions of the position of such employee. A "serious health condition" is defined in accordance with FMLA regulations. Generally, this means a physical or mental condition that involves inpatient care (including any subsequent period of incapacity and any follow-up treatment) or continuing treatment by a health care provider. The County reserves the right to require the employee to provide certification of a serious health condition; or
5. For certain qualifying exigencies arising out of the fact that a covered employee's spouse, son, daughter or parent is on active duty or has been notified of an impending call or order to active duty in the National Guard or Reserves. A "qualifying exigency" is defined in accordance with FMLA regulations as (i) a short-notice deployment, (ii) military events and related activities, (iii) childcare and school activities, (iv) financial and legal arrangements, (v) counseling, (vi) rest and recuperation, or (vii) post-deployment activities.

C. Military Caregiver Leave

In addition to the grounds set forth in Section I.B above, an eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered military servicemember shall be entitled to a maximum of 26 weeks of leave during any single 12 month period to care for that servicemember. This type of leave is known as "military caregiver leave." The single 12-month period for military caregiver leave begins on the first day the employee takes leave for this reason and ends 12 months later.

An eligible employee is entitled to up to 26 weeks of leave during any twelve month period to care for a covered military servicemember. A "covered servicemember" is defined in accordance with FMLA regulations as a servicemember who has a serious injury or illness incurred in the line of duty, while on active duty, for which he or she is undergoing medical treatment, recuperation, or therapy, or otherwise in outpatient status. This does not include former servicemembers or servicemembers on the permanent disability retired list.

This 26 week military caregiver leave period represents the maximum total amount of leave available to a covered employee during any rolling twelve month period. It may not be taken in addition to any other leave authorized under the FMLA or any other leave policy. In addition, military caregiver leave is a one-time event. It may not be taken more than once to care for a given injury or illness to a given servicemember.

For purposes of military caregiver leave under this section, a servicemember's "next of kin" is defined in accordance with FMLA regulations as his or her nearest blood relative, other

than his or her spouse, parent, son, or daughter. The County reserves the right to confirm next of kin status.

For purposes of military caregiver leave under this section, a "serious illness or injury" is defined in accordance with FMLA regulations as an illness or injury that renders the servicemember medically unfit to perform the duties of his or her office, grade, rank or rating. All other terms used in this section are defined in accordance with FMLA regulations and relevant statutes.

IL Use of Paid Leave

To the extent that the employee is eligible for paid leave, any paid leave must be taken concurrently at the start of any family and medical leave of absence. This includes any form of leave time in which any form of compensation is paid, including vacation time, sick leave and absences covered by workers' compensation. Therefore, the employee will be compensated at his or her regular rate for any leave taken using paid leave. The remainder, if any, of the family leave will not be compensated.

III. Intermittent or Reduced-Schedule Leave

In general, any employee wishing to utilize this benefit must do so on a continuous basis. On the other hand, if able to do so, the County must consider reduced-schedule leave - that is, leave that reduces the staffer's regularly scheduled number of days per work week or hours per workday - if it is in the best interest of the County and the employee.

If medically necessary for a serious health condition of the employee or his/her spouse, child, or parent, leave may be taken on an intermittent basis. That is, leave may be taken periodically for short periods to respond to the medical condition or other covered circumstance. If leave is requested on this basis, however, the County may require the employee to transfer to an alternative position that will be more suitable for recurring periods of absence and/or a part-time schedule.

IV. Certification

The County will require medical certification to support a leave request for an employee's own serious health condition. The certification must include a statement that the employee is unable to perform the functions of his/her position. In its discretion, the County may require a second medical opinion and periodic recertification at its expense. If the first and second opinions differ, the County may, at its own expense, require the opinion of a third health care provider, which will be final.

The County also will require medical certification to support leave to care for a seriously ill child, spouse, or parent. For this leave request, the certification must include an estimate of the amount of time the employee will be needed to provide care.

V. Return to Work

The County will reinstate a returning employee to the job he or she held when he or she left or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment. If an employee fails, however, to return to work upon exhaustion of the 12 weeks of family/medical leave or 26 weeks of servicemember family leave, the employee will be considered to have voluntarily resigned. The County reserves the right to require an employee to provide a certification of fitness for duty before returning to work.

VI. Notification and Reporting Requirements

Under the FMLA, employees are responsible for giving 30 days' notice to their employers. If circumstances require that a leave begin in less than 30 days, employees must give the County as much notice as practicable. Examples of when 30 days' notice may not be required include a premature birth, a serious accident to a family member, or serious medical condition requiring immediate surgery.

VII. Benefit Status

Any employee who is granted a leave of absence under the FMLA is entitled to continuity of his or her insurance coverage, provided that the employee either arranges in advance to pay his/her share of the premiums or pays the premiums as they come due. An employee on paid leave will be subject to regular withholdings and should only arrange for payment for a period of unpaid leave. If the employee does not timely pay premiums, coverage will be cancelled but will be reinstated when the employee returns to work. If the employee does not return COBRA will be offered based on the employee's termination date.

D. REGULAR SICK LEAVE

1. All employees will accrue four (4) hours of sick leave biweekly (13 days annually). Time cannot be taken until after the 90 day probationary period.
2. Any unused sick leave that has accumulated shall be counted as creditable services for the purpose of retirement.
3. Sick leave shall be allowed only for actual illness of the employee. Employees may take two days of sick leave without a statement from the doctor, on the third day of absence a doctor's statement will be required. The Department Head may require a doctor's statement at any time that it is suspected that the employee is abusing the sick leave policy of the County.
4. Only time worked or excused time off can be used to accrue sick leave time.
5. County employees will be allowed to donate sick leave to fellow employees. The employee seeking to donate time must fill out a "Request for Donation of Leave" form, a copy of which is attached as Exhibit B to this Handbook.

E. DEATH IN THE FAMILY

In the event of a death in the immediate family, employees absent from work will be granted up to three (3) days leave with pay. Any time taken over the three (3) days must be requested as either annual leave or absence without pay. An employee's immediate family is defined as the employee's spouse, and the employee's or spouse's children, grandchildren, parents, grandparents, brothers or sisters.

F. MATERNITY LEAVE

Maternity and any disabilities caused by or contributed by pregnancy, childbirth and recovery therefrom, shall be treated like any other temporary sickness, illness, or disability for purposes of regular sick leave, subject to the same limitations applicable to regular sick leave in compliance with Federal Law.

G. LEAVE OF ABSENCE WITH PAY

An employee required to attend court as juror or witness or to attend a coroner's inquest shall be excused from work. The individual is eligible for payment of these duties as well as compensation from the job during the leave of absence.

H. MILITARY LEAVE

Full-time regular employees will be granted unpaid leave to participate in ordered and authorized field training under the National Defense Act, up to two weeks in a calendar year. An employee participating in ordered military functions shall provide a copy of their military orders to their department director as soon as possible. Employees with orders for deployment greater than thirty (30) days may be required to return all issued equipment and property of the County until the employee's return from military duty. Employees who are a member of the reserve components of the Armed Forces of the United States will receive full time pay for the hourly equivalent of the first 15 days of military leave, provided they were previously scheduled to work on the day(s) of military leave. Such employees should provide a copy of any military orders, including annual drill schedules, to their department director as soon as possible.

I. INSURANCE

All full-time employees will be covered under the County's group insurance program and the premiums for such coverage will be paid by the County for the County's group

insurance: Insurance forms are to be filled out when employed. Insurance coverage is available to the employee's family at his or her expense. Full-time employees are eligible to participate in the County's groups insurance program the first of the month following their hire date. Elected officials, department heads, and new employees who were previously insured by their former employer immediately prior to their county employment, may participate immediately upon taking office and/or employment based upon the agreement with the insurance carrier.

J. PUBLIC EMPLOYEES' RETIREMENT SYSTEM

All part-time and full-time employees of the County who are required to become members of the State Retirement System shall do so as a condition of employment. The Public Employee Retirement System of Mississippi is too complex to explain in these regulations. However, the personnel office will explain the system to new employees during processing and to older employees by request, with a full explanation of all benefits offered.

12. WORKERS' COMPENSATION

All County employees are covered by Workers' Compensation which compensates you for all injuries suffered on the job. You should immediately report all job-related injuries, no matter how minor, to your supervisor.

13. LEAVE RECORDS

The personnel office will furnish leave records for (annual and sick) to all departments.

14. PAY PERIODS

All elected officials and employees are paid bi-weekly, occurring every other Friday with twenty-six (26) total payments in a year. The office of the Chancery Clerk distributes each department's check to the department head or designated assistant. It is the responsibility of the department head or his designated assistant to sign the time sheets and deliver the checks to the designated employee. Checks not delivered on pay day will be returned to the Chancery Clerk not later than the following work day with an explanation as to non-delivery. Under no circumstances will advance pay be made to employees.

15. GARNISHMENT

The County is required by Law to comply and cooperate with any garnishment levied against an employee by appropriate authorities. The County expects all employees to show a high degree of financial responsibility. Since financial difficulties would have an adverse influence on an employee's performance of duty, it is of paramount importance that financial affairs are maintained in good order.

16. VENDING AND SOLICITATION

Solicitation of or by employees for non-work related purposes is prohibited without express approval of department head concerned. Such a rule is necessary to prevent interference with work and to protect employees from unwanted solicitation.

17. PERSONAL CONDUCT

All employees will conduct themselves with proper decorum at all times in their various duties. Courtesy will be extended to the public and to fellow employees to the maximum degree. If disagreements arise, the employees will refer the matter to his next supervising official for appropriate action. Actions on the part of the individual employee will at all times be such to leave a favorable impression with the public.

18. USE OF COUNTY-OWNED PROPERTY

Any County employee who is convicted of a drug or alcohol-related offense may be subject to disciplinary action, up to and including termination.

F. Types of Testing

I. Pre-Employment

All job applicants for employment in safety sensitive positions are subject to drug testing. Any offer of employment in a safety sensitive position with the County will be conditioned on the applicant testing negative on a drug and alcohol test. Applicants for safety sensitive positions who begin work for the County are subject to discharge if their pre-employment drug or alcohol test is positive. Prior to the collection of a specimen from an applicant, the applicant will be required to read and sign the following statement, which will be provided on a separate sheet of paper:

I, _____ have read the *Drug and Alcohol Plan* of the County and notice provided to me pursuant to Part IX of the *Alcohol and Drug Regulations* of the Mississippi State Department of Health. I understand the plan and the Notice, and I agree to submit to specimen collection and drug testing according to the terms of the plan. I understand that my refusal to sign this statement or my refusal to submit to required specimen collection and drug testing in accordance with the plan shall be a basis for rejecting my application for employment by the County, and I waive any rights I may have arising from rejection of my application on that basis.

An applicant's refusal to sign this statement will be a sufficient basis for rejecting his or her application. However, an applicant's refusal to sign this statement will not bar the County from administering a drug or alcohol test to the applicant and will not invalidate the results of any initial or confirmation test. Applicants for safety sensitive positions who refuse to be tested will be removed from consideration for employment.

A positive result of a confirmation test for the presence of drugs, alcohol or their metabolites is a sufficient basis for rejection of an employee's application. Successful completion of a drug and/or alcohol test does not ensure employment with the County.

G. Neutral Selection

The County may test employees on a neutral selection basis to the extent the employee is required as part of his job duties to engage in activities affecting public health or safety and the employee holds a safety sensitive position. The County employees subject to neutral selection drug testing under this plan are listed in Appendix B to this plan.

In addition to those employees holding the above-described positions, any employee who has had a positive confirmed test result within a previous twelve-month period may be subject to testing on a neutral selection basis.

Neutral selection drug testing shall occur by randomly selecting zero or more employees zero or more times a year for drug testing. The selection will be made by randomly drawing the employees' Social Security numbers from a pool of the Social Security numbers of all County employees subject to neutral selection drug testing under this plan. The method of random selection will be chosen by the County so as to insure compliance with those provisions of Mississippi law and applicable regulations governing random selection procedures.

Neutral selection testing must be approved in advance by the Board of Supervisors either on the recommendation of a member of the Board or one or more supervisors of the classification of employee[s] to be tested. The decision to require neutral selection drug and/or alcohol testing must be made in executive session called in accordance with Mississippi's Open Meetings Law.

H. Reasonable Suspicion

All County employees are subject to reasonable suspicion drug and/or alcohol testing under this plan. Reasonable suspicion shall be determined by a member of County management. The determination of reasonable suspicion shall be made using the Observation Checklist which is Appendix A to this plan.

If the County has reasonable suspicion that an employee is using drugs and/or alcohol in violation of this plan, he or she may be required to submit to a test. An employee will not be required to submit to a test under this provision unless the reasonable suspicion that he or she has used or is using drugs and/or alcohol in violation of this plan is based on specific objective and articulable facts and reasonable inferences drawn from those facts in light of experience. Prior authorization for any drug and/or alcohol test based on reasonable suspicion must be received from one of the following:

1. County Administrator
2. Safety Director
3. Department Head
4. Supervisor
5. Sheriff, or other Law Enforcement Officers

If one of the above individuals also is the supervisor who makes the initial reasonable suspicion determination, prior authorization for any drug and/or alcohol test must be received from another person on the list.

I. Specimen Collection Procedure

Applicants and employees will be directed to a collection site for drug and/or alcohol test specimen collection. All drug and/or alcohol testing will be conducted during or immediately after the regular work period, and this time will be considered time worked for the purpose of determining compensation and benefits.

The collection site person will be responsible for maintaining the integrity of the specimen collection and transfer process and insuring the privacy of the employee/applicant. Collection sites will conduct specimen collection in accordance with the *Alcohol and Drug Regulations* of the Mississippi State Department of Health.

An employee or job applicant shall be allowed to provide notice to the County of currently or recently used prescription or nonprescription drugs at the time of the taking of the specimen to be tested, and such information shall be placed in writing upon the employer's drug and alcohol testing custody and control form prior to initial testing. Providing this information will not preclude the administration of the drug and/or alcohol test but will be taken into account in interpreting any positive confirmed results.

J. Responsibilities of the Laboratory

The laboratory which conducts drug tests under this plan shall be certified by the Mississippi State Department of Health, and it shall conduct all tests under this program in accordance with the *Alcohol and Drug Regulations* of the Mississippi State Department of Health. Samples that yield positive results on confirmation shall be retained by the laboratory for 90 days from the time the results were mailed or otherwise delivered to the County. Within this 90-day period, the employee or applicant may make a written request that the sample be retested at the employee's expense at a certified laboratory chosen by the employee. The results of the retest will not affect any disciplinary action taken against an employee with a confirmed positive test result.

K. Testing Standards

1. Initial Test

Under this plan, the initial test on specimens for the presence of marijuana, cocaine, opiates, phencyclidine, amphetamines, and any other substance for which the United States Department of Health and Human Services has established an approved protocol and positive threshold, or their metabolites, will employ an immunoassay which meets the requirements of the United States Food and Drug Administration for commercial distribution. Initial alcohol testing will be by evidential breath testing or saliva testing. Initial cutoff levels specified in Appendix C will be observed. These cutoff levels are subject to change as advances in technology or other considerations allow identification of drugs or their metabolites at other levels.

If an initial drug and/or alcohol test is negative, no confirmation test will be conducted.

2. Confirmation Test

If the specimen provided by the employee or applicant tests positive for the presence of drugs and/or alcohol listed in the preceding paragraph, or their metabolites, in the initial test, the specimen will be subjected to a confirmation test. The confirmation test for drugs will employ gas chromatography/mass spectrometry at the cutoff levels specified Appendix D. The confirmation test for alcohol will employ a blood test at the cutoff levels listed in Appendix D. These cutoff levels are subject to change as advances in technology or other considerations allow identification of drugs, alcohol or their metabolites at other levels.

L. Notification to MRO of Test Results

The laboratory will report confirmation test results only to the County's Medical Review Officer within five (5) working days of receiving a specimen. The report, which will be signed and certified as accurate by the person responsible for the day-to-day operations of the certified laboratory or the person responsible for attesting to the validity of test results, will identify the - drugs, alcohol or metabolites for which testing has been conducted, and it will indicate the County's specimen number and the specimen identification number assigned to the specimen by the laboratory. The report shall indicate only that the confirmation test result was negative, if that be the case, or that it was positive for specific drugs, alcohol or metabolites, if that be the case.

Within five (5) working days after receiving a positive confirmed test result from the testing laboratory, the County will inform the employee in writing that he or she has tested positive. At this time the County will inform the employee of the consequences of the positive test and any options available to him or her.

Any employee may request a copy of the test result report. The request must be in writing and should be directed to the County Administrator.

M. Responsibilities of the Medical Review Officer

The MRO will review the test results received from the testing laboratory to determine whether a result is positive. The MRO shall notify the employee/applicant in writing of the drug test results within five (5) days of receiving them, which notification will include an explanation of the consequences of the results and options available to the employee/applicant if the results are positive. An employee/applicant who receives a positive confirmed test result may contest the accuracy of that result or explain it in writing within 10 working days of receiving notification of the test results. That contest may include another test on the specimen at the employee/applicant's expense. If the employee/applicant's explanation is unsatisfactory to the MRO, a written explanation as to why and the test results will be placed in the employee's personnel and medical file, or the applicant's application file.

N. Consequences of a Confirmed Positive Test Result

A positive initial test result may subject the employee to suspension with pay. A confirmed positive test result may subject the employee to discipline, up to and including termination. Employees are subject to search while in the course and scope of any job duties, while on County property, while on a County job site, or while in an area adjacent to any County property or job site. Employees do not have a legitimate expectation of privacy in any of the above-described areas. These inspections and searches may be conducted to carry out this and other policies of the County.

DRUG-FREE WORKPLACE POLICY

INTRODUCTION

In response to federal requirements for drug-free workplaces, and in keeping with the County's concern for the health and safety of its workforce, the following Drug-Free Workplace Policy has been instituted.

This policy certifies the County's intent to maintain a drug-free workplace. The first section describes the prohibitions of this policy such as the manufacture, distribution, sale, possession or use of a controlled substance in the workplace.

In addition, this policy creates a Drug Awareness Program that provides information on the dangers of workplace drug use to all employees as well as information about available private and community treatment facilities. The last section of this policy lists the disciplinary actions that employees will face for any violation of the County's Drug-Free Workplace Policy. Finally, an employee acknowledgment must be signed and dated by each employee who reviews a copy of this policy.

The Drug- Free Workplace Act specifically requires the County to notify each employee that, as a condition of employment, each employee must:

- Comply with the County's Drug-Free Workplace Policy; and
- Notify the County of any conviction for a drug related offense committed in the workplace within (5) days of the conviction.

Any employee who violates this County policy will be subject to disciplinary action up to and including termination of employment.

PROHIBITIONS

The County's Drug-Free Workplace Policy prohibits employees from engaging in any of the following activities:

- I. Use, possession, manufacture, distribution, dispensation or sale of illegal drugs on County premises or County business, in County supplied vehicles, or during working hours;
2. Unauthorized use or possession, or any manufacture, distribution, dispensation or sale of a controlled substance on County premises or while on County business or while in County supplied vehicles;
3. Storing in a locker, desk, automobile or other repository on County premises any controlled substance whose use is unauthorized;

4. Being under the influence of a controlled substance on County premises or while on County business, or while in County supplied vehicles;

5. Any possession, use, manufacture, distribution, dispensation or sale of illegal drugs off County premises that adversely affects the individual's work performance, their own or the safety of others at work, or the County's regard or reputation in the community.

6. Failure to adhere to the requirements of any drug treatment or counseling program in which the employee is enrolled;

7. Failure to notify the County of any conviction under criminal drug statutes for a workplace offense within five (5) days of the conviction;

8. Refusal to sign a statement to abide by the County's Drug-Free Workplace Policy.

AUTHORIZED USE OF PRESCRIBED MEDICINE

An employee undergoing prescribed medical treatment with any drug which may alter his or her physical or mental ability must report this treatment to the County Administrator or Department Head who will determine whether a temporary change in the employee's job assignment is warranted during the period of treatment.

DRUG AWARENESS PROGRAM

To assist employees and their families to understand and avoid the perils of drug abuse, the County has developed a comprehensive Drug Awareness Program. The County uses this program in an educational effort to prevent and eliminate drug abuse that may affect the workplace.

The Drug Awareness Program will inform employees about:

- dangers of drug abuse in the workplace,
- the County's Drug-Free Workplace Policy,
- availability of treatment and counseling for employees who voluntarily seek such assistance, and
- disciplinary actions for violations of the County's Drug-Free Workplace Policy.

Employees of the County are our most valuable resources and, for that reason, their health and safety is our number one concern. Any drug use which imperils the health and well-being of our employees or threatens our business will not be tolerated. The use of illegal drugs and abuse of other controlled substances on or off duty is inconsistent with the

law-abiding behavior expected of citizens. Employees who use illegal drugs or abuse other controlled substance on or off duty tend to be less productive, less reliable, and prone to greater absenteeism. This, in turn, can result in increased cost, delays and risks to the County's business.

Drug use in the workplace puts the health and safety of the abuser and all other workers around them at increased risk. Employees have the right to work in a drug-free environment. In addition, drug abuse inflicts a terrible toll on the nation's productive resources and the health and well-being of American workers.

Early recognition and treatment of drug abuse is important for successful rehabilitation. Whenever, feasible, the County will assist employees in overcoming drug abuse by providing information on treatment opportunities and programs. However, the decision to seek, diagnosis, and accept treatment for drug abuse is primarily the individual employee's responsibility.

Employees with drug abuse problems should request assistance from management. The County will treat all such requests confidentially and will refer the employee to the appropriate treatment and counseling services. Employees who voluntarily request the County's assistance in dealing with a drug abuse problem may do so without jeopardizing their continued employment, provided they strictly adhere to the terms of their treatment and counseling program. At a minimum, these terms include the immediate cessation of any use of drugs, and participation, where required by a program, in periodic unannounced testing for a twenty-four (24) month period following enrollment in the program.

Voluntary requests for assistance from employees will not, however, prevent disciplinary action for violation of the County Drug-Free Workplace Policy.

The County has instituted a zero tolerance level program. The County is committed to maintaining a safe workplace free from the influence of drugs. All employees are hereby notified that the County will comply with the requirements of the Drug-Free Workplace Act of 1988, and all applicable regulations issued thereunder, as well as, when applicable, any more stringent rules created by other federal agencies.

The County's Drug-Free Awareness Program does not create an employment contract between the employer and employee. Furthermore, the County has the sole right to modify the policy and program at any time.

ALCOHOL AND DRUG REGULATIONS

You are hereby advised that the County has implemented a drug and alcohol policy and conducts a testing program, pursuant to House Bill No. of 1994, and you are hereby advised of the existence of said Act.

All information, interviews, reports, statements, memoranda, and test results, written or otherwise, received by the County through its drug and alcohol testing program are confidential communications, *except* under certain circumstances as allowed by the Act.

An employee or job applicant shall be allowed to provide notice to the County of currently or recently used prescription or nonprescription drugs at the time of the taking of the specimen to be tested, and such information shall be placed in writing upon the employer's drug and alcohol testing custody and control form prior to initial testing.

DISCIPLINARY ACTIONS

1. A violation of the County's Drug-Free Workplace Policy is subject to disciplinary action, up to and including termination of employment, at the County's sole discretion.

2. In addition to any disciplinary action, the County may, in its sole, refer the employee to a treatment and counseling program for drug abuse. Employees referred to such a program by the County must immediately cease any drug use, and be subject to periodic unannounced testing for a period of twenty-four (24) months, and must comply with all other conditions of the treatment and counseling program. The County shall determine whether an employee it has referred for drug treatment and counseling should be temporarily reassigned to another position for safety reasons.

3. The County will promptly terminate any employee who test positive for drugs while undergoing treatment and counseling for drug abuse.

NOTICE TO ALL PERSONNEL OF DISCIPLINARY

This is a formal notice of the County's intent to take disciplinary action, up to and including termination of employment, against any employee who violates the County's Drug-Free Workplace Policy.

The County's Drug-Free Workplace Policy prohibits the use, sale, distribution, manufacture or possession of all controlled substances as listed in Schedules I through V of Section 202 of the Controlled Substance Act (21 U.S.C. 812).

County policy also prohibits the performance of work or presence at any County building, faculty, equipment or work area/site while under the influence of a controlled substance.

Disciplinary Action

1st Offense: Suspension for five (5) working days without pay to immediate termination.

2nd Offense: Immediate termination.
