ORDER

This cause having come before the Court upon the matter of setting the compensation for the Victim Assistance Coordinator for the Fifteenth Judicial District and the Court being advised that the said compensation has not been increased in the last eight (8) years and that an increase in the salary is now proper and the Court having reviewed the statutes and documentation for Pearl River County finds as follows:

1. Section 99-36-7 of the Mississippi Code of 1972, as amended, established the position of Victim Assistance Coordinator in districts where the Senior Circuit Court Judge so orders and approves. The position was ordered and approved by the Senior Circuit Court Judge in this District on the 30th day of April, 1991, and the Senior Circuit Judge, according to Statute, established the percentages that each county would pay of the total compensation, the employers matching share for social security, retirement, insurance and for mileage incurred in the performance of the duties of the Victim Assistance Coordinator at the per mile reimbursement rate for state employees as determined by the Department of Finance and Administration. Those pro rata amounts at present are: Jefferson Davis County 13.0%; Lamar County 26.0%; Lawrence County 10.0%; Marion County 23.0%; and Pearl River County 28.0%.

2. The Legislature amended the Statute in 1997 authorizing a maximum salary for the Victims Assistance Coordinator not to exceed the salary for an investigator with the District Attorney's Office, which investigators' salary is presently set by Statute at a maximum of \$63,000.00.
3. The Attorney General for the State of Mississippi has issued an Opinion No. 92-0027 that states that the Victims Assistance Coordinator is to be hired by the District Attorney and the compensation of the Victims Assistance Coordinator should be set by the District Attorney. This opinion was adopted and relied on in an opinion by the Office of the State Auditor of December 21, 1995.
4. The Victim Assistance Coordinator has professional degrees, extensive experience and advanced training which qualifies him for this position and salary. The District Attorney has set the salary of the Victim Assistance Coordinator, Jeffrey Caillouet, at \$63,000.00 per year beginning July 1, 2022, which the Court finds to be reasonable.

IT IS ORDERED AND ADJUDGED that the following counties shall pay from July 1, 2022, the following pro rata percentages of the compensation of \$63,000.00 per year, the employer's matching share for social security, retirement, insurance and for mileage incurred in the performance of the duties of the Victim Assistance Coordinator at the per mile reimbursement for State employees as determined by the Department of Finance and Administration. Those percentages are:

Jefferson Davis County 13.0%

Lamar County 26.0%

Lawrence County 10.0%

Marion County 23.0%

Pearl River County 28.0

IT IS FURTHER ORDERED AND ADJUDGED that the above pro rata percentages shall be computed by the Pearl River County Board of Supervisors bookkeeping department who shall notify each of the other counties of the amount on the salary and expenses they are to pay under the order. The said counties shall reimburse Pearl River County for the sums paid out each month by Board of Supervisors of Pearl River County to the Victim Assistance Coordinator and for other expenses in connection with his salary and duties.

SO ORDERED AND ADJUDGED on this the 24 day of June, 2022.

Subject: Pearl River Co. CLM# 22F39K257922 / Total Loss

Jerry,

The 2016 Kubota Tractor VIN# 50779 was deemed a total loss. The ACV on this tractor is \$ \$31,959 ACV less deductible \$2500.00 = \$29,459.00. If the county wishes to keep the tractor we will deduct the salvage amount of \$5000.00 bringing the total to the county \$24,549.00. Please advise if the county will be keeping the tractor or not so I can make arrangement to have it picked up.

Thanks,

Kristie Price
